

Comprehensive HR Risk Management Services

Management Risk Pro provides experienced HR professionals and comprehensive resources to effectively manage risks and address difficult situations as they arise.

Services Include:

Training for Managers and Employees. Implement workforce training with assistance from a Training Coordinator and interactive online courses on sexual harassment, discrimination, bullying, hiring, termination, and more. Some online courses available in Spanish.

Unlimited HR Advice by Telephone/ Email. Real-time advice from experienced HR professionals supervised by employment attorneys provides the perfect sounding board to address HR issues in all 50 states.

Employee Handbook Wizard. Create or update an employee handbook with the Employee Handbook Wizard. The Wizard saves your company information making updates easy. Policies have been legally reviewed by an employment law attorney; any substantive changes to the policies should be reviewed with our HR Professionals to confirm the changes are permitted in your state.

Multi-State Compliance Charts. Compare key HR compliance obligations across the USA in one resource updated regularly by employment attorneys.

Step-by-Step Employment Checklists and Templates. Save time while helping ensure compliance with HR checklists and templates.

Toll Free Employee Complaint Hotline. Promptly address and mitigate the risk of unreported employee concerns by implementing a free employee complaint hotline.

Additional resources: Email notifications for employment law updates, training, HR BulletPoint, and webinars.

“They not only answered the question I asked, they also provided a blog and sample policy on the topic. They thoroughly anticipated what I was going to do with the information and saved me a ton of time in research, policy review, and more. This is a great example of what “WOW” service looks like!”
